Happy New Year!

Our CEO's Message

Dear Hunt Military Communities Residents,
Happy New Year!

Hoping this finds you well after the holidays and ready for 2022. At Hunt Military Communities, this is a time for our teams to reflect on the past year and prepare for what I know will be exciting changes coming for our residents. In 2022, HMC will strive to meet and exceed the

needs of our residents by focusing on several key areas. Our main area of concern is your Resident Experience and the delivery of service by our team. Focus groups will be utilized at many communities so that we can better understand any perceived shortcomings and actively seek to improve our service to you. We are committed to the long-term health of our communities and by continuing to develop programs and services that benefit our residents, we hope to see our communities continue to flourish. Please stay tuned for updates on these, and other, programs. Again, Happy New Year and best wishes for a happy, healthy, and successful year!

All the best,
Brian Stann

Your Furry Family Members!

- Pick up after your animals.
- Animals must be on leashes at ALL times!
- Animal Control will be contacted for any loose or unattended animals.
- ALL animals must be registered with the office.
- Any unregistered animals are subject to revocation of pet privileges.

Heat Reminder

Please do NOT shut off your heat under any circumstances during the winter months. If you are leaving your home for any length of time, do not shut your heat off or set it below 65 degrees. Leave cabinets open and your faucets dripping and also do not shut off your hot water heater.

Be Aware And Vigilant!

As we close out the holiday season, crimes of opportunity are still occurring. PLEASE do not leave your vehicles unlocked and more importantly, do not leave any personal possessions in the vehicle or in plain view. The recent outbreak, surge not rash of unlawful entry to vehicles is taking place at an increased level as people are leaving cars unlocked with items such as keys, wallets, purses, electronics, etc in plain view. DON'T FORGET to close and lock your garages as well! The North Chicago Police and the Navy Police are continuing extra patrol.
